PRESS RELEASE

Emkay Global Financial and DBS Bank tie-up for knowledge sharing

Mumbai/ Singapore: 23 January, 2017: Emkay Global Financial Services Ltd, one of India's leading financial services company, has announced today a partnership with DBS Bank to collaborate on research expertise. The agreement was signed today in Singapore between Mr. Krishna Kumar Karwa - MD, Emkay Global Financial Services Ltd. and Mr. Timothy Wong - MD, Head Group Research, DBS Bank.

The alliance will be beneficial to both Indian and global investors since it will offer a holistic view of the Asian market. The integrated reports will be shared in different countries, including India, Singapore, Bangkok, Jakarta, London, Dubai and New York. These reports will have in-depth knowledge and showcase current market and sector scenarios.

Mr. Krishna Kumar Karwa MD, Emkay Global Financial Services said: "This is a tremendous opportunity for us to present our research expertise to a wider set of global investors. This alliance with DBS will bridge the current gap and enable a comprehensive view on what happens in Indian as well as the global markets. This collaboration hence, will reinforce Emkay's expanding global reach".

Mr. Timothy Wong MD, Head Group Research, DBS Bank said: We are very pleased to co-brand DBS Research with Emkay's India research and hope to reach out to all our investors through them. Emkay has an extensive team of analysts who share in-depth knowledge on the Indian equity markets and the Indian economy. This alliance will enable DBS to enhance its Asian Insights content platform by combining cross-border thematic and macro-level insights currently produced by the regional DBS team, with bottom-up sectoral and company analysis provided by Emkay".
